## Specifications

- Weight & measurement approved
- Weighs in Grams, Carat & Tola
- Rugged & reliable design
- Stainless steel platter of high quality
- Advanced microprocessor based design
- Fast weighing response
- Internal ADC-count of 10,00,000
- A/C Power supply operating between 90VAC to 270VAC
- Battery backup for 25 hrs
- Auto power off
- Simple & easy operation with feather touch keys
- High brightness LED display

## Optional

- RS-232C serial interface
